DECISION OF THE ENERGY CHARTER CONFERENCE

Subject: Opening of negotiations on a Treaty amendment dealing with Tariff Standstill (Article 29(6))

The Conference formally opened negotiations on a Treaty amendment dealing with tariff standstill, as required by Article 29(6) of the Energy Charter Treaty. It invited the Secretary-General to submit proposals to its next meeting on the constitution of a Working Group to deal with this subject, on the terms of reference of that Group, and on the timing of its first meeting.
