DECISION OF THE ENERGY CHARTER CONFERENCE

Subject: Approval by written procedure of the acceptance of a voluntary contribution from the Slovak Republic

By CC 519 dated 14 August 2015, delegations were invited to approve the acceptance of the voluntary contribution of Euro 5,000 from the Ministry of Finance of Slovakia, as part of its preparation for the Slovak Republic Presidency in the Council of EU in 2016, to organize an Energy Charter Seminar and Roundtable on investment arbitration under the ECT and its modernisation to be held in Bratislava in Autumn 2015.

As specified by Rule 20 of the Rules of Procedure (CC 53 Corr. 2) concerning the adoption of decisions by correspondence, members of the Energy Charter Conference were informed that any delegation that wished to object to this proposal should notify the Secretariat of its position in writing by 2 September 2015.

No objections were received within the specified time limit. Therefore, on 2 September 2015 the Conference **agreed** to authorise the Secretary General to accept the voluntary contribution of Euro 5,000.
