DECISION OF THE ENERGY CHARTER CONFERENCE

Subject: Adoption by correspondence - Exceptional measure regarding the Terminal Allowance

By document CC 572 dated 11 October 2016, the Energy Charter Conference was invited to approve the proposed exceptional measure (i) to offer to pay to the individual officials concerned their Terminal Allowance as accrued by the end of their engagement at the higher grade, and (ii) to commence the calculation of their contributions and their entitlement to their Terminal Allowance on a reduced basic salary from the start of their new contract at a lower grade.

As specified by Rule 19 of the Rules of Procedure concerning the adoption of decisions by correspondence, members of the Energy Charter Conference were informed that any delegation that wished to object to this proposal should notify the Secretariat of its position in writing by 31 October 2016.

Having received no objections within the specified time limit, on 31 October 2016 the Conference **approved**, with immediate effect, the exceptional measure with respect to the Terminal Allowance as described above.
