DECISION OF THE ENERGY CHARTER CONFERENCE

Subject: Adoption by correspondence – Code of Conduct and Revisions to the Staff Regulations and Rules

After approval by the Budget Committee, by document CC 599, dated 25 September 2017, the Conference was invited to agree:

- the changes proposed to the Staff Regulations and Rules;
- the proposed Code of Conduct, which would apply not only to officials of the Secretariat, but also to other people involved with the work of the Secretariat and the Conference (including Chairs and Vice-chairs of the Conference and its subsidiary bodies and working groups when performing such functions).

As specified by Rule 19 of the Rules of Procedure concerning the adoption of decisions by correspondence, members of the Energy Charter Conference were informed that any delegation that wished to object to this proposal should notify the Secretariat of its position in writing by 14 October 2017.

Having received no objections within the specified time limit, on 14 October 2017 the Conference **approved** the Code of Conduct and the amendments to the Staff Regulations and Rules with immediate effect.
