**DECISION OF THE ENERGY CHARTER CONFERENCE**

**Subject: Adoption by correspondence - Chairmanship 2023**

By document CC 782 dated 10 January 2023, the Energy Charter Conference was invited to approve Jordan as acting Chairmanship for 2023 if no nomination for the 2023 Chairmanship was received.

As specified by Rule 20(b) of the Rules of Procedure concerning the adoption of decisions by correspondence, members of the Energy Charter Conference were informed that any delegation not in a position to approve the above decision or volunteering to hold the Chairmanship in 2023 should notify the Secretariat of its position in writing by no later than 29 January 2023.

Having received no objections within the specified time limit, on 29 January 2023, the Conference **approved** Jordan as acting Chairmanship for 2023 with immediate effect. The potential ad hoc meeting of the Conference in 2023 on the modernisation of the ECT is still expected to be hosted by Mongolia and Jordan would also assume the official 2024 Chairmanship.
