TERMS OF REFERENCE  
FOR  
WORKING GROUP III  
ENERGY RELATED EQUIPMENT

The task of the Working Group is:

To conduct, in accordance with Article 31 of the Treaty, an examination of the inclusion, in the trade provisions of the Treaty, of energy-related equipment, which may include without limitation of the foregoing any equipment used in energy exploration, extraction, refining, production, storage, transport, transmission, distribution, trade, marketing or sale. It may also include equipment used with the aim of improving Energy Efficiency, as defined in Article 19(3) of the Treaty, and in the distribution of heat to multiple premises.
