**DECISION OF THE ENERGY CHARTER CONFERENCE**

**Subject: Secretariat's Location and Negotiations on terms of headquarters agreement**

The Conference considered the available information on possible future locations for the Charter Secretariat (CC 14 and RD 2) but decided that additional consultations would be necessary before it would be possible to reach agreement on this question. [...] In the meantime the Conference authorised the Secretary-General to negotiate provisionally:

*"the terms of any necessary headquarters agreements for possible Secretariat locations so that these can be ready for approval by the Conference immediately a decision on location is taken."*
