**DECISION OF THE ENERGY CHARTER CONFERENCE**

**Subject:      Financial Rules**

The Conference considered the Financial Rules proposed in RD 7 as a result of the Budget Committee's discussion on 21 November, and approved them subject to deletion of Article 13, for the reason that Article 13 merely confirmed the subject matter stipulated in the Treaty, and consequential amendment of Article 19.

[Attached are the Financial Rules as contained in Room Document 7.]
