DECISION OF THE ENERGY CHARTER CONFERENCE

Subject: Amendments to Annexes T and ID: Republic of Bosnia and Herzegovina

The Conference agreed to wait until the Treaty enters into force before taking a decision on the amendments relating to Annexes T and ID, with the aim of having them submitted for ratification at the same time as other amendments.

The Conference Chairman concluded on behalf of the Signatories which are provisionally applying the Energy Charter Treaty and future Contracting Parties that they will treat Bosnia and Herzegovina as if the proposed amendments to Annex T had been made and noted that Bosnia and Herzegovina wishes to be included in Annex ID.
