**DECISION OF THE ENERGY CHARTER CONFERENCE**

**Subject:      Observer Status for the CIS Electric Power Council**

The Chairman proposed inviting the CIS Electric Power Council to become observer to the Conference, explaining that it is for the Council to decide whether or not to accept the invitation.

Several delegations supported the proposal. One delegation did not object but announced that within the CIS Electric Power Council it might not take a positive position. One delegation objected to the proposal.

The Conference noted these positions and decided to invite the CIS Electric Power Council to become an observer to the Conference.
