

TOKYO INTERNATIONAL ENERGY CHARTER WORKSHOP

INVESTMENT ARBITRATION IN PRACTICE

Jointly organised by Waseda, Arbitration Institute of the Stockholm Chamber of Commerce (SCC), Energy Charter Secretariat (ECS), and Permanent Court of Arbitration (PCA).

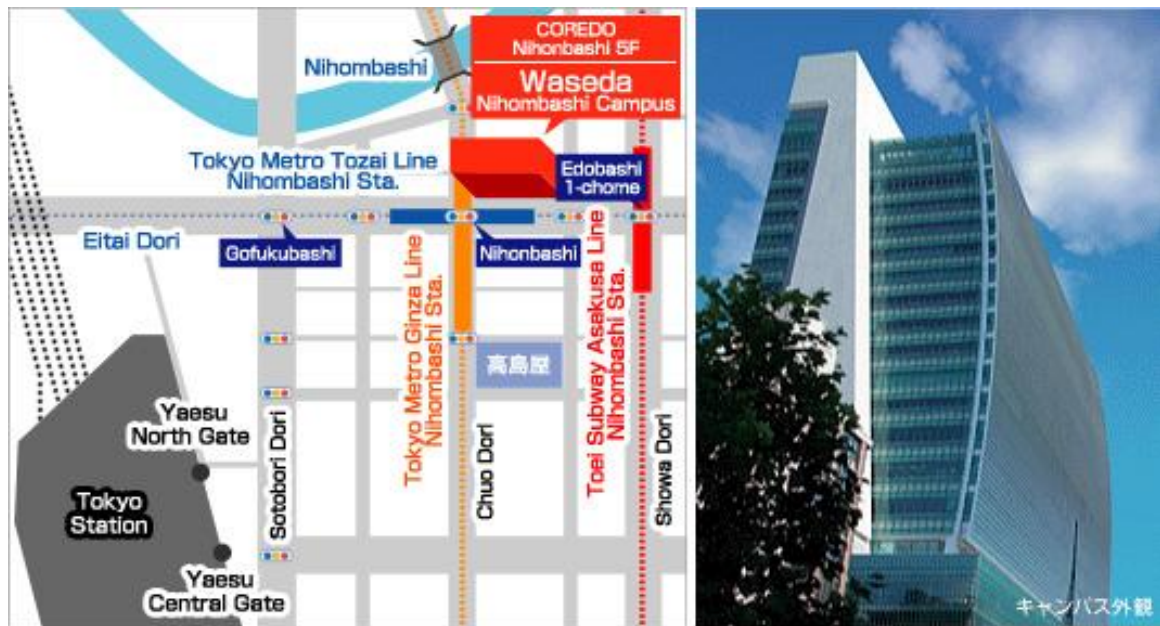

Hosted by Waseda University

DATE: 22 AUGUST 2016 (13:00-17:00) - registration starts at 12.30

VENUE: Waseda University, Nihombashi Campus,
Nihonbashi 1-chome Building 5F (COREDO Nihonbashi), Chuo-ku (see map below)

The Workshop will guide participants through the main stages of an SCC and PCA arbitration from a very practical perspective and in direct discussion with participants. The workshop will also explain and discuss the issue of determination of damages (when to involve experts, which methods to use...). Registration is free. However space is limited. For more information and registration, please contact Yuka Fukunaga (yuka-fukunaga@waseda.jp) or Alejandro Carballo (alejandro.carballo@encharter.org). To facilitate a more dynamic and practical workshop, questions to experts can be sent by email when registering.
