Arrival from Prague Airport

We recommend you to take the taxi to travel from/to the Airport and you can either take the official airport cab (yellow AAA), or call the „**Profi Taxi**“ where we have preferential rates.

If you are interested in the second option, after landing simply call **+420 261 31 41 51** and ask for the Taxi to Terminal 2 (Schengen countries) or Terminal 1 (not Schengen countries) at CEZ' preferential rate. Operators speak English and you can pay with credit card in the taxi.

Taxi's arrival time is about 5 minutes (so before you walk through the airport the taxi is usually there) and you get inside in front of the Departures hall while the official cabs stands in front of the Arrival hall.

There is hotel in the walking distance from CEZ' offices. We recommend you to book the accommodation in one of the hotels mentioned here below:
