FOREWORD

This publication by the Energy Charter Secretariat sets out in one complete document how the Energy Charter Conference and its Secretariat should function. It has been compiled for the use and benefit of the member states, their delegates, and all who engage with the Energy Charter process.

As Secretary General I have endeavoured to bring greater transparency to the operation of the Conference and to the Secretariat. The most significant initiative has been the publication of the decisions of the Conference. I believe that this has been beneficial for all and in particular for the better operation of the Energy Charter. It is important that there is a thorough understanding of the principles of the Energy Charter and how the decision making process operates.

Furthermore as part of the modernisation of the International Energy Charter (using the informal working name of the organisation as approved by the Conference in 2016, much work has been done in 2014-2016 to update the rules of procedure and the financial rules to bring them into line with modern practice. As the Energy Charter Process completes the first twenty five years of its existence this is a necessary and timely step.

The objective of these changes and the publication of this document is to ensure that the International Energy Charter is well positioned to meet the challenges of the next twenty five years and beyond.

The Amendment shall apply accordingly to such a signatory.

Any signatory may at any time withdraw the notification referred to above in writing to the Secretariat.\(^5\)

[CHAIRMAN’S STATEMENT AT THE ADOPTION SESSION ON 24 APRIL 1998]

“On the issue of future listing of countries on Annexes BR and BRQ, I conclude that all delegations are aware of the long standing positions of those delegations which like Australia, Hungary and Japan have repeatedly underlined that they support legally binding tariff commitments provided their commitments under the Energy Charter Treaty reflect their commitments in the WTO. This also reflects the position of other delegations, and there is a general acceptance among delegations that they will give positive consideration to that position at the time when the decision on legally binding tariff commitments is taken.”\(^6\)

(o) consider and approve the addition of items to Annex EM II from Annex EM I with the corresponding deletion of those items from Annex EM I and consider and approve the addition of items to Annex EQ II from Annex EQ I with the corresponding deletion of those items from Annex EQ I;\(^7\)

[DECISION A signatory which does not apply the Amendment adopted on 24 April 1998 provisionally may at the time that it takes action to apply that Amendment, whether on a definitive or a provisional basis, notify the Secretariat in writing that until it is listed in Annexes BR and BRQ, it will apply the Amendment as if all items of Energy Materials and Products and of Energy-Related Equipment continued to be listed in Annexes EM I and EQ I.

The Amendment shall apply accordingly to such a signatory.

Any signatory may at any time withdraw the notification referred to above in writing to the Secretariat.\(^8\)

This Statement was read out by the Chairman to the Adoption Session on 24 April 1998 and also circulated in written form. CONFIRMATION OF DECISIONS OF THE PROVISIONAL ENERGY CHARTER CONFERENCE
The Conference agreed that Decisions taken by the Provisional Charter Conference would be applicable after entry into force of the Energy Charter Treaty, including the decision relating to the request for the Governing Body of the ILO to agree to extend the jurisdiction of the ILO Appeal Tribunal to disputes involving the staff of the Secretariat.
De-Restriciton of CCDEC Documents and Change in the Default Setting of CC Documents
The Energy Charter Conference noted that the documents with the acronym ‘CCDEC’ (the ‘CCDEC documents’) are to be prepared by the Energy Charter Secretariat (the ‘Secretariat’) in the following manner:

(a) The Secretariat will prepare a draft summary record of the annual meeting of the Conference within two months of that meeting.

(b) With the draft summary record, the Secretariat will also prepare a series of new CCDEC documents for the same year, based on:
   - all decisions of the Conference adopted during that year by correspondence;
   - all documents submitted to the latest meeting of the Conference; and
   - the draft summary record of that meeting, reflecting the Conference’s final action (including, but not limited to, adoption, approval or taking note of) taken there.

The list of new CCDEC documents will be made available on the restricted part of the Secretariat’s website.

(c) The Secretariat will then submit the draft summary record of the meeting of the Conference for adoption by correspondence. The annex to the draft summary record will contain the list of new CCDEC documents prepared.

(d) Following the adoption by correspondence of the summary record (together with its annex), the Secretariat will make the new list of CCDEC documents available on its public website.

Against this background, the Conference decided:

(i) All the CCDEC documents listed in the Annex II to document CC 463 shall be derestricted as of the date of this decision;

(ii) Except for the case mentioned in (iii) below, no CCDEC document prepared after the date of adoption of this decision shall be restricted;

(iii) If a CCDEC document is prepared based on any CC-numbered document that is restricted pursuant to (v) below, such CCDEC document shall remain restricted until the relevant CC-numbered document is de-restricted;

(iv) Except for the case mentioned in (v) below, all the CC-numbered documents prepared after the date of adoption of this decision shall be de-restricted upon final action by the Conference, including, but not limited to, adoption, approval or taking note of; and
(v) If any Contracting Party is of the view that a certain CC-numbered document should remain restricted, even after the final action by the Conference, such Contracting Party shall request such restriction before the Conference takes its final action, either by a notification to the Secretariat or by a statement at the Meeting of the Conference. Where there is any such request, the relevant document shall remain restricted until the requesting Contracting Party cancels its request.
APPROVAL OF THE NEW LOGO AND INFORMAL WORKING NAME
APPROVAL OF THE NEW LOGO
CCDEC2015 (36) STR, 3 December 2015

The Energy Charter Conference approved the new logo offered by The Netherlands. As explained by Minister Kamp at the opening of the Ministerial Conference on the International Energy Charter, the logo is composed of five honeycombs, which symbolise the five continents working together to create a powerful energy partnership. The logo’s colours show the transition from traditional energy sources, in blue, by way of sustainable energy sources, in green, to the energy sources of the future, in yellow. The opening between the honeycombs symbolises the open market in energy that the Charter aims to promote.

The Energy Charter Conference confirmed that 2016 will be a transition year using both logos (the old logo and the new one). As of 2017, only the new logo will be used.

INFORMAL WORKING NAME
CCDEC2016 (8) STR, 4 July 2016

The Conference was invited to adopt an informal working name to better reflect the global nature of the organisation and for clarity in presentation to third parties. As discussed at the Strategy Group meeting of 15 June 2016, the decision does not affect the status under international law of either the Energy Charter Conference or the Energy Charter Secretariat.

The Energy Charter Conference approved the use of an informal working name, ‘International Energy Charter’, to refer to the Energy Charter Conference and its subsidiary bodies, as well as the Energy Charter Secretariat. Such name will be used as of the date of approval of this decision for any public communications, except for those documents that require the use of the official name of the relevant institution according to the Energy Charter Treaty (e.g. Conference decisions would still refer to the Energy Charter Conference). This decision does not require any amendment of the Energy Charter Treaty since the Energy Charter Conference will keep its official name.
Rules of Procedure of the Energy Charter Conference
RULES OF PROCEDURE OF THE ENERGY CHARTER CONFERENCE
CCDEC1995 (30) GEN, 22-23 November 1995
Amended by CCDEC2015 (20) GEN, 25 November 2015
Amended by CCDEC2016 (11) GEN, 31 October 2016

Considering the statements that have been made in particular by Japan and the EC, and bearing in mind Article 50 of the ECT, the Charter Conference, by approving the Rules of Procedure, accepts to continue the application of the existing linguistic regime which is based on English, French, German, Italian, Russian and Spanish.

The Charter Conference acknowledges that the European Communities provided substantial financial support to the European Energy Charter negotiations, since they started in July 1991.

The Charter Conference takes note that the European Communities indicated their willingness to consider additional support for the organisation of further Conference meetings notably if the cost of the linguistic regime creates budgetary problems to the Charter Secretariat.

There is an understanding that rule 13.B(c) will not enter into force until January 2018.

(Article 34(6) of the Energy Charter Treaty)

B. Specific rules regarding signatories of the European Energy Charter

(a) Any signatory to the European Energy Charter which has not signed the Energy Charter Treaty may participate in the negotiations referred to in Articles 10(4) and 33 of the Energy Charter Treaty.

(b) Signatories to the European Energy Charter which have not signed the Energy Charter Treaty are admitted to such negotiations upon notification to the Secretariat of their intention to participate and their decision to contribute to the costs of the negotiations.
IV. REPRESENTATIVES

Rule 8

The names of representatives of Contracting Parties, Signatories and observers attending meetings of the Conference and of its subsidiary bodies shall be communicated to the Secretariat.

V. SUBSIDIARY BODIES

Rule 9

(a) The Conference may, as provided in Article 34(5) of the Energy Charter Treaty, establish such subsidiary bodies as it considers appropriate for the performance of its duties. Such subsidiary bodies shall be either ‘Standing Groups’ established to deal with issues of a regular nature or ‘Working Groups’ established to carry out negotiations or other work of a temporary nature.

(b) Recommendations submitted by the Chairperson of a subsidiary body to the Conference shall call attention to differences in the views of Signatories.

(c) A sub-group shall through its Chairperson report to the body which set it up, which shall give it the necessary guidance for carrying out its work.

Rule 13

A. Conference

(a) The Chairmanship of the Conference shall be held for a term of one calendar year. Each year, the Conference shall approve a list of future Chairmanships of the Conference covering at least the following three years and on the basis of equitable geographical rotation.

(b) As a rule, the minister in charge of Energy Charter issues of the Contracting Party holding the Chairmanship shall be designated as Chairperson of the Conference. The Contracting Party holding the Chairmanship may also nominate a representative other than the minister as the Chairperson. In performing such duties, the Chairperson shall act in accordance with the Energy Charter Treaty, Protocols, Declarations and Conference decisions. The Chairperson shall be assisted by Vice-Chairpersons.

(c) Contracting Parties may nominate themselves for the office of Chairmanship by letter to the Secretariat, indicating their preference for the year they wish to assume this role. The Secretariat shall immediately make such letter available to all delegations.

(d) If for any reason the Chairperson can no longer perform the functions of the office, the Chairmanship shall nominate an official of the relevant government office as replacement. The Conference shall then, without delay, designate the replacement as new Chairperson.

(e) Three positions of Vice-Chairpersons shall be reserved for the current, the outgoing and the incoming Chairmanships. The Vice-Chairperson representing the acting Chairmanship shall act as first Vice-Chairperson, while the Vice-Chairpersons representing the outgoing and incoming Chairmanships shall rank second and third respectively. Additional Vice-Chairpersons, if any, shall be ranked taking into account the date of their first appointment.

B. Standing/Working Groups

(a) The Chairpersons and Vice-Chairpersons of the Working/Standing Groups shall be designated each year by the Conference. As a general rule, no person can be Chair or Vice-Chair of the same Working/Standing Group for more than three consecutive years unless there is no other volunteer.
The Chairpersons and Vice-Chairpersons of the Standing/Working Groups shall be designated on a volunteer basis, taking into account the principle of equitable geographical distribution among the Contracting Parties and Signatories.

If there is no volunteer or if the Conference is not able to take a decision, the Chairmanship of the Conference shall act as interim Chair until a volunteer is confirmed by the Conference.

If a Chairperson is absent from any meeting or part thereof, a Vice-Chairperson shall perform the functions of the Chairperson. If a Vice-Chairperson is not present, the Contracting Parties and Signatories attending the meeting shall elect an interim Chairperson for that meeting or that part of the meeting.

If necessary, any interim Chairperson should remain in office until the next meeting of the relevant group.

VII. CONDUCT OF BUSINESS

Rule 14

In addition to exercising the powers conferred upon him or her elsewhere in these Rules, the relevant Chairperson shall declare the opening and closing of each meeting, shall direct the discussion, shall ensure the observance of these Rules, and shall accord the right to speak, put questions to the vote, and announce decisions. The relevant Chairperson also may call a speaker to order if his or her remarks are not relevant to the subject under discussion.

Rule 15

During the discussion of any matter in the Conference or in a subsidiary body a member thereof may raise a point of order. In this case the relevant Chairperson shall immediately state his or her ruling. If the ruling is challenged by a member, the Chairperson shall forthwith submit his or her ruling for decision by the body in which the matter is under discussion, and it shall stand unless overruled.

VIII. VOTING

Rule 16

Decisions on strictly procedural matters not provided for in the Energy Charter Treaty shall, except as otherwise provided in these Rules, be taken by a majority of the Contracting Parties and Signatories whose representatives are present and voting in the Conference, or in the case of a subsidiary body, by a majority of the Contracting Parties and Signatories which are members of that body whose representatives are present and voting.
(b) Every effort shall be made to reach consensus on recommendations to the Conference by subsidiary bodies. If a decision cannot be reached by consensus, such recommendations shall be decided by a three-fourths majority of the Contracting Parties and Signatories which are members of that body whose representatives are present and voting.

(c) Each Contracting Party and Signatory (when applicable) shall be entitled to one vote provided that is not in arrears in the payment of its financial contributions to the budget of the Energy Charter Secretariat in the amount which equals or exceeds the amount of the contributions due from them for the preceding two full years.

(d) A Regional Economic Integration Organisation shall vote in line with Article 36(7) of the Energy Charter Treaty, taking into account if any of its member states has lost its voting rights due to persistent arrears.

**IX. REQUEST FOR DISTRIBUTION OF DOCUMENTS**

*Rule 17*

For the information of the Conference, Contracting Parties and Signatories may request the distribution of messages and documents. Such documents shall be distributed as soon as possible to representatives of all Contracting Parties, Signatories and observers as appropriate.

correspondence, he or she shall instruct the Secretariat to upload a message on the Energy Charter Secretariat webpage, containing such information as the Chairperson considers necessary to an informed decision.

(c) The Chairperson of the Conference shall determine the date and hour by which any opposition must be received, which shall in no case be earlier than 20 days from the date of upload of the message referred to in paragraph (b). In exceptional circumstances, the Chairperson may, upon request and at his or her discretion, extend the time limit. Subject to no objections being received within the time limit, the Conference decision will be considered as approved with immediate effect and a confirmation message will be uploaded.

(d) The states or Regional Economic Integration Organisation entitled to participate in decisions by correspondence are those which are Contracting Parties or Signatories on the date of upload of the message referred to in paragraph (b).

(e) A subsidiary body may adopt rules for decisions of that body to be taken by correspondence.

(f) For information purposes, a dissemination message will be sent to delegates each time a Conference decision by correspondence is initiated.

(b) Any candidate shall not necessarily be a national of the Contracting Party which
proposes their candidacy.

**Rule 20.5: Interview**

(a) All eligible candidates shall be interviewed by the Contracting Parties and Signatories. Such interview shall be chaired by the Conference Chairmanship and shall be open to all Contracting Parties and Signatories who wish to attend. If one of the candidates has the nationality of the Chairmanship, the Vice-Chairpersons representing the outgoing and incoming Chairmanships shall chair the interview in that order. The term of initial appointment shall be no longer than five years.

**Rule 20.9: Lack of Appointment of the Secretary-General**

In the event that the procedure set out in these Rules does not lead to the appointment of the Secretary-General on the date of the Energy Charter Conference’s meeting where the appointment was expected to take place, the Conference Chair may propose to the Energy Charter Conference either: (1) the designation of, as a rule, the Deputy Secretary-General as Acting Secretary-General; or (2), in case the post of the Deputy Secretary-General is vacant, the prolongation of the appointment of the serving Secretary-General.

In the meantime, the serving Deputy Secretary-General will serve as acting Secretary-General. In the case where the post of the Deputy Secretary-General is vacant, the Chairmanship of the Conference in consultation with the Contracting Parties and Signatories will designate, within 14 actual days from the departure of the serving Secretary-General, an acting Secretary-General to be selected from the existing staff of the Energy Charter Secretariat for a temporary period until a new Secretary-General is appointed.

(b) The measures set out in paragraph (a) for the timely replacement of the Secretary-General shall be based on the procedures outlined in these Rules.
XIII. RULES FOR APPOINTMENT OF DEPUTY SECRETARY-GENERAL

(c) The Secretary-General may draw up a short-list of candidates of up to four candidates if the number of applications warrants it. Within one month from the application deadline, the Secretariat shall upload to the delegates website the list of candidates and, if relevant, the short list prepared on as wide a geographical basis as possible.

Rule 21.3: Selection Process by Contracting Parties and Signatories

(a) All the shortlisted candidates will be interviewed by the Contracting Parties and Signatories at a single meeting within a maximum of one month period after the expiry of the contract of the serving Deputy Secretary General or her/his early departure.
